“*“May the Lord take great care of her, after all she had gone through.”*

She helped me through my childhood, she took care of me and loved me as if she were my own mother. I never really got a chance to let her know how much I loved her, but one day I will be able to. “I love you so much grannie-Love You and I await the day I get to reunite with you once again. “*My Aunt Imelda Ann, Larry, the Vores's and the Russll family, I am so, so sorry for your loss. I loved Sondra very much. She lifted me up every time she saw me. It didn't matter if it was at a family get together or at the grocery store. Her love and kindness always touched me. The first time I saw her at the farm with Larry I thought he had found a movie star, LOL. She was much more than a movie star! It was a blessing for us to have been graced by her and to have her as part of our family. Heaven and the stars are shining brighter now. Distance seperates us but my heart and love are with you and all of my family. I will continue to lift you up with love and prayers. Cindy Lee Kolenda*
