“ We had us great time back in the early 90’s. You were an amazing woman. We were young and dumb and full of life. Saddened beyond belief to just find this news of your passing. I am certain you left behind a lot of loving memories. Pray your son is filled with all those memories of a great mother and great woman. ~ Lovingly your “Big Scary Policman” T A Reid

“ To the Ginder and Deines families: I will always cherish the memories I have of Staci. I may have moved away from Indiana when I was a little girl, but I have many happy memories of my family there...especially spending time at Aunt Pam's house. When I think of Staci, the image of a beautiful smile and a loving embrace warms my heart. We are all better people because she was in our lives. May memories of Staci and the love of family and friends surround you and give you strength and comfort.

“ Dear Pam and Dave and the Ginder family: I was deeply saddened when Andrea told me of Staci's passing. I remember her as a little girl and a young lady. I still think of myself as her "Uncle Dave". Staci was so sweet and full of life. I am so sorry for your loss but I will celebrate her life today and think of all the smiles she gave to us.

“ Dear Matt and Ginder Family My bus aide Vickie and myself have had the pleasure of meeting and knowing Staci through our jobs. When we first met Staci, It was when I had parked in her spot at the school. After that, I made sure I left her parking spot open for her then it came a joke. We had a friendship that grow stronger everyday. We would walk together waiting for the students to get on the bus. We were so blessed to have her in our life and she will truly be missed everyday. Prayers and thoughts are with your family at this time. We love you Staci and we will see you someday!! God Bless Tammy Dekorsi and Vickie Lynch Hamilton Heights Bus # 27
