“ Gary & Sherry, Please accept our deepest sorrow for the lost of your daughter. I'm sure there are no words that can express the pain and grief you are suffering now. But please know you are both loved and are in our hearts and prayers. I pray in time you find peace. We also pray for her husband and children that they too will find peace. Be strong for each other and let friends and family comfort you. With much sadness, Kevin & Peggy Bentley

“ *Stacy and I use to be best friends and we had numerous overnighers as kids. She was a huge part of my childhood. Yes, we grew apart in high school, but the bond was always there. It was always good to run into her around town since graduation. I know that even as kids, our friendship was real by how much this news has broken my heart. You will all be in my prayers.*

“ *Stacy and I had grown apart since our childhood friendship and had recently gotten back in touch. I was able to visit with her, Tim, and the boys about a year ago and it was so great to rekindle an old friendship. I have many fond memories with Stacy from junior high cross country to hanging out at her house with her family. I am so saddened by her passing. Your family is in my thoughts and prayers.*
