“ You are in my thoughts and prayers and Stacy was such a pleasure to be around. Helped take care of her at St. Francis Hosp Rehab Unit. Always had high spirits and motivated our entire staff! She will be missed and always remembered. She has been our only patient to decorate their room with decals and I loved it! It brightened my life! Christy Bastin

“ Stacy was one of the most unconditionally loving people I ever met. She never knew a stranger and could light up a room with her beautiful smile. Her courage was unending as was her dedication to her family and her profession of nursing. Stacy, you will live on in our memories....beautiful memories of a precious sister in Christ whose ministry was far too short but so very powerful. Rest in the arms of God, Stac!
