“ Throughout our lives everyone we encounter touches our lives; they are part of the clay that makes us who we have become today. Friends, Family, Co-workers, they all leave their impression in the clay. Although many years have passed since our time as friends, Stan you have left your hoof print on all of our hearts. We graciously extend our condolences to your wife, your family, and your friends. We will always love you, no matter the number of years, and miles that have separated us physically, you will always be in our hearts. Here's to the memories of changing Eric's diaper, watching him learn to walk, working on trucks in Greg's garage, driving the backhoe, 4-wheeling with Regi, Bon-fires on Rick's property, splitting wood, skinning deer, fishing the lakes, camping out and riding the horses at the farm, drinking too much, laughing too loud, winning a twist contest at the local pub, growing up and living life!

“ Even though I rarely saw you and I haven't seen you in years, I always remembered the times we talked about horses and the love you put in my heart for them, and most importantly I remember the love I felt just being in your presence. You were a great man that I am proud to call you my uncle, and I will always regret not keeping in touch like I should. I love you, and may you rest in peace!

“ Uncle Stan was one of the most caring men I knew! Time just slipped through our fingers & our Lives just kept going like a fast moving Train. Although we had planed on seeing you in May & June time just did not corporate. I will always remember the love you showed to me and my children, your Great Nieces Whitney & Kaylee. Whitney was so excited about you meeting her babies, your Great Great Nephews, Tristan & Jaser in May. I will always cherish the times you took me horseback riding, "tried" to teach me how to clean hoofs & shoe horses, and the dreaded cleaning stalls & how ,as a child, you would throw me up on your bunk bed & scare me w/those scary masks & swords, knives on the top bunk, & our Big family dinners. You always had time for me & always wanted everyone to be happy! Then we all grew up, had families of our own and that fast moving train we call 'Life" happened. I miss you and love you very much!!! All my Love, Your Niece, Kim

“ Karen, you are in our hearts and prayers. We are so sorry for your loss. I don't even have the words to describe just how much Stan meant to us and how much we loved him and will miss him. Mike keeps telling me to remember he is with Eric again, I know he is and they are catching up in heaven but there is a huge hole here on earth and in our hearts without Stans love and laughter. God bless and be with you Karen.

“ "STAN THE MAN!" that will forever stick with everyone that knew Stan. Growing up, I remember him introducing himself as Stan the man and the laughter that went with it. He could light up the room with his deep belting laugh. He was such a caring happy person. I will always hold a special place in my heart for him. Will really miss you.
