“ *I have many fond memories of my Aunt Stella. Although I am tearing up writing this, thinking of the fun memories I had with her growing up makes me smile. She was always very kind and I loved her "accent". I will always remember her laughter and her playing cards with my Dad and them teasing eachother. It gave me great comfort to know that Joyce was there for her to take care of her when she needed it most. It is also comforting to know Aunt Stella is at peace. I am sending love and hugs to family during this difficult time.*
