“ I only had the privilege to know Stephanie about a year and a half when she joined the IU Health Physicians Diabetes Centers at Ball Memorial hospital, but she has made a lasting impression on me. She was an excellent nurse and educator, but her devotion to her family and friends, the support she was quick to give, her sense of humor and finding joy in the day, always looking to help and getting things done with a smile is only a short list what made her a wonderful human. She will be very missed. My condolences to her family and friends, I will keep them in my prayers. - Liz Daily

“ *Stephanie was a wonderful friend. She was an excellent nurse and educator. And an amazing wife, mother and grandmother. She and Steve were a very devoted couple. They both taught me a lot and took me to buy my first gun, and we had so many fun times "back in the day. I have missed seeing them for the last few years, but love them very much. She was a mentor and friend and I was blessed to know her so well. Rest in peace, Sweet angel*
