“ I'm so sorry not to have written anything here before now, but I'm not always around a computer and have also had limited time when online. But I just wanted to let all of you know that you're in my prayers, love, and positive thoughts. I have so many neat memories of Steve as a little boy and all of those mischievous sayings and jokes he was known for. I have lots of wonderful memories of all of you and think of you often. My mom passed away on April 29 23 days after she turned 91 of this year, so this hasn't been an easy year for any of us. It's wonderful to have our memories and faith to keep us comforted at times like this. Love Always, Ainsley Jo :-
