“ I grew up with Steve in the neighborhood of 21st and 22nd streets. Steve was very much a part of our young lives. In those days we had so much freedom, roller skating on 21st street between Morton and Lincoln, riding our bikes, being away from our houses for what seemed like hours - we as kids really grew and grew up together! It was wonderful! I moved away for 40 years and throughout that time I wondered about Steve many times. Sounds like he had a wonderful and full life.

“ I worked with "Shorty" at Eriks Chevrolet in Kokomo Indiana in the early 1970's. After 40 years I still work there. I was sad to hear of his passing. I always liked him,he was full of fun.
