“ We will always miss Steve and the way he made us feel. He always seemed to know how to make you laugh, but most of all he knew how to make us feel needed when we needed someone most. I guess what I am trying to say is he was a very unique & special person in all of our hearts. We will always miss you. I know you are in a better place with your brother Bobby, boy the stories you must have for each other. We love you and Bobby and miss you guys.

“ I was an online friend of Steve's, I am shocked & saddened by his sudden surmise. Steve was very witty, I enjoyed receiving emails from him daily. My condolences go out to his family.
