“ I just read about Stewart. He and I went to AHS and Purdue together. We studied in the School of Engineering and Technology. He was a Supervision major while I was in Mechanical Eng'r'g. I lost touch of Stewart after he graduated and moved to work with McDonald Douglass. Stewart was a couple of years older than me, and I used to travel to Purdue to visit him when he lived at Wiley Hall. My thoughts and prayers are with you and your family.

Thanks,  
Tod Jackson
