“ People probably wonder how just one week of your life spent 19 years ago with people you just met could make you feel so much love for them. Well they never met The Mohlers. Sue and Howard were perhaps the finest people. Dave and I were lucky enough to share a wonderful week on a cruise with them their daughter Lisa and her friend Molly, wish Jackie was there and our best friends Brenda and Shelley. We usually just sit together but we were led to a table and immediately knew they were special. We were old time cruisers and they were first time and Sue always said they fell in love with cruising that week with all of us. What a wonderful memory for today. Lisa met her future husband Andrew on their next cruise just think if they didn't enjoy it. Sue tried to plan many more cruises with all of us but it never seemed to work out, regret that so. Sue, your warmth and beauty and intense love for your beautiful family made them the luckiest to have you. You were a gift that was taken to soon. Howard, Lisa, Jackie and the whole family Dave and I will be thinking of you today and everyday. Rest In Peace our special friend.

All our love, Helene and Dave

“ It is with such heartbreak for your family that we visit this site. We fell in love with Sue and Howard and all your family from the minute we met! We were so blessed to have been assigned to the same dinner table on our Royal Caribbean cruise about 20 years ago. From the very first night we were friends and spent the entire week together! Anyone who knows Sue and Howard know that you instantly love them! Their warmth and love for each other, for their cherished Jackie and Lisa and their families and for life itself is so evident. That cruise and those memories have always been one of our very happiest of times!

We remained friends over the years and were able to see them again when they would visit Florida and kept in touch as Jackie and Lisa were married and had families of their own. We celebrated their delight as their two girls had two girls of their own.

And the same adoration that was given to their daughters was even greater for their granddaughters!

We so wish Sue was still on this earth with you Howard to continue to love and enjoy the beautiful life you had together. God must have needed her there to light up the Heavens the way she lit up this earth.

We pray for comfort and peace for all of you as you celebrate her life today. And we feel the warmth of her being and of her smile shining down on you.

We are so grateful to have gotten to know you all and your Angel Sue.

With all our Love,
Brenda and Shelley

“ Lisa and I have been friends longer than I can remember. From entire weekends spent at the Mohler home to Florida spring break trips, we were always together. And so was Sue. She was such a great mother- always talking with me as a friend to helping me out through challenging teenage antics. To the Mohler family- I've always considered you family and my heart goes out to you during this time of sadness. You were lucky to have such a wonderful and I'm lucky to have known her and all of you. Peace to you.

“ My memories began when Sue visited my classroom at Countryside Montessori. What I remember most over the years as I first had Jackie and then Lisa was her beautiful smile and upbeat personality. Her girls were the sunshine in her life. Over the years we would run into each other, often with her granddaughters in tow. What a joy they were for her. Jim and I will be in Maryland on Sunday. Howard, Jackie, and Lisa, know that you are in our thoughts and prayers.

“ My daughter Sarah and Lisa were very good friends growing up. Sarah spent many weekends at their lovely home. Sue was always so sweet and even later when we went through some rough years she was still always so sweet. I am so sorry for your loss Dr Mohler. Lisa I know you will miss your mom so much. It is always so hard losing your biggest cheerleader in life. You now can cherish the memories and let your mom's legacy live on through your life. My prayers are with you all.

“ I was Sue and Howard's personal trainer many years ago. They were two of my very favorite people What a very special couple! I very much admired Sue , her total love and commitment to her family , how she cherished all of you so much. Sues beautiful face would light up every time she talked about her girls!! I was terribly sad to hear of her sickness and passing. I will keep you all in my thoughts and prayers.
