“ Dear Danny, Janie, Joanie, Mark, and all of the relatives that were blessed by being a part of Sue's family. Danny, I was so overcome with grief when Joyce called and gave me the unbelievable news that Sue was gone. The picture of her, in her obituary, was so beautiful, that I had to cry again. I had almost forgotten how really lovely she was. God be with all of you. My prayers are with you and I share your grief. My love--Rosie

“ Jane, Mike and Rachel, Although I didn't know your Mom/Grandmother, from what I read from others, she seemed to be foremost a Christian lady. Knowing that and God's timing is perfect, let us celebrate the birth of Christ for its promise of eternal life, her legacy for bringing that message to all of those her life touched and our own understanding of her everlasting peace. With love and prayers to you all,
