“ *Traci & family, So sorry to see of the sudden loss of your mom. She was so special and sweet. I always loved running into her and catching up with a quick conversation. The last time I saw her was at Shadyside walking and she had that same smile that she always had on her face. I know she will be dearly missed. Keep her close in your heart with all the fun memories. Thinking of you.*

“ *Bob, Tammy, Todd & Tracy Sue was one of the nicest people I had ever met. Did you know that we vacationed together in Florida one year? We were visiting my brother-in-law who was vacationing with the Smith family & Kerri Whin when I saw Sue laying around the pool, she was tanning - go figure!! Sue always had a smile on her face and always had time to talk. She will be deeply missed. But she lives on in each of you and in your kids.*
