“ Dear Becky and Billy: I think you already know what a first-class special lady your mother was! She was so very, very proud of you both and all you have accomplished. In several of our most recent conversations, she often made mention of the fact that she felt free to cross over to her new home because she knew she did not have to worry about you both and knew you'd both be fine. That was such a source of comfort to her. I will miss her deeply. She and I shared many trials and victories together over the years with health situations of loved ones and helped each "make it through" with our faith to comfort us and each other. Susie was one of my most dearest friends and my heart will always rejoice just for having known her and all her special ways and how much she brought to my life with her friendship, love and concern. She truly was an example of Christ's attributes here on earth. I told your Mom to ask God if she could be my personal guardian angel when she arrived! : God bless you both. Love, Linda Arnett

“ I am very sad to read about Susie's death. She was a well-respected legal secretary. I remember when she attained the title of Professional Legal Secretary. I always thought very highly of Susie. I'm very sorry about your family's loss.

“ Doctors Orders on Thursday nights was a team that you knew you were going to have fun bowling with. Susie you won't have to worry about those ten pins in heaven because your life has given you all perfect strikes. God bless all of you.

“ I was shocked and saddened to read about Susie's passing. Susie and I had a lot of good times when we were kids, so many more than I could ever list. I remember "dragging" her to my church with me and my family when we were about 15. She met Bill there and the rest is history! They were both very loving, strong and special people. May God keep all of you in His loving arms during these difficult days. My deepest sympathies are with all of the family members. I know you will miss Susie every day, and I will always remember her with love.

“ *Becky and Billy, you may not remember us, however, I worked with your mother at Braddock and Cherry Attorneys beginning in 1987 and until she and Charlie moved to a different location. And Tim was a basketball coach at Liberty Christian when you and Billy went to school there. Your parents were very special people, and no matter what obstacles came their way they always looked to God for strength and guidance, which is what I'm sure the two of you are doing now. Just trust and serve him and he will never forsake you. Your mom was a very special lady with a beautiful smile. We are so sorry for your loss but know that she and your dad are happy to be together again. Our prayers are with your family.*

“ *Dear Becky & Billy, I am so sorry to hear about your mom passing away this week. I remember your mom was a wonderful person. I know she is now in Heaven with your Dad. Your Mom and Dad were not only a big part of church, but they were a big part of my life. I will never forget them. They were a really positive influence for me. I am so glad to have had such great times with both of them. My family and I will miss her.*

“ Dear Becky & Billy, I am so sorry for the passing of your Mom. She was and always will be in my heart a beautiful and wonderful friend. Your Mother was always there for me. Becky, do you remember that Sunday when we were in church and your Mom was holding a pen and how she did it we will never know but it went flying toward the guests we had in church that day. I was sure that day we were all going to be in trouble. Ha Ha Your Mom could always get me to laugh when all I wanted to do was cry. I could go on and on but wont. If there is anything I can do for either of you, please let me know. God Bless You Glenna
