“ Susie and I went to school together and I think I even had a few dates with her. At any rate, she was a very special person and the world will be a little less desirable without her. I am so sorry for you and I share your grief. I lost my wife 4 years ago so I can appreciate what you are going through.

“ I had the pleasure of working with "Grandma Sue" while I was in college and working at Damon's Muncie. She was an outstanding woman! I often marveled at how spunky, lively, and fun she was. My thoughts and prayers are with you all at your time of sorrow.

“ *Sue, You were the big sister I never had. I will remember, forever, the many crazy conversations we used to have at your kitchen table. I know you are in a better place, and the pain you suffered so bravely will never bother you again. I will love you and your memory for the rest of my days Go with God.*
