“ *To all the Mills family: I will never forget all the times our boys played together in our neighborhood backyards. Susie and I and several other moms in the neighborhood carried lunches to the picnic table in summer months. You will remain in my special memories forever. Susie was always so positive, happy, looking forward to good times. Steve a little serious but a wonderful son. My thoughts are with you this week. With love, Mary Jo Parker*

“ *What a wonderful friend and neighbor we had in Susie. So many memories of us piling onto our boats and spending lazy afternoons on Eggmont Key. Milt and Susie joining us on our summer vacations in the mountains. Susie ever cross-stitching as we drove along. She was an amazing woman and in our little neighborhood and hearts a part of us is gone.*

“ Susie thanks for sharing your life over the many years of our trip to Florida, our golf outings in South Florida as well as the many ones at at Palma Sola before it's closing and then at River Run Golf Course. You and Milton shared your home with us on many occasions as well as a little libation which have left many enjoyable memories. Your infectious smile was always there even in the worst of times. You will definitely be missed in our lives. Lee and Karen Robinson

“ Susie always brought such joy to the room. I will forever cherish the memories. We looked forward to Christmas because of the many treats that Susie bestowed on us, the many delicious cookies and the favorite Chex mix. (couldn't get enough). Her counted cross stitch was a "hit". I will miss her beautiful way of taking care of Milton. God is holding her in his arms. Susie was so proud of her family. Many prayers are being said. Much love, Candy
