“ Mrs. Ellis had been my substitute many times throughout my educational experience. We always looked forward to our days with her. Missy, I had no idea you were her daughter. My heart goes out to you and your family at this sad time.

“ I was saddened to hear of your Mom's death. Even though I had not seen her in many years, I have fond memories of growing up in those early years with the Ellis's. My thoughts and prayers will be with you this week and through the holidays.

“ David, I'm sorry for your loss. Your mom certainly contributed to many great memories for any kid who grew up playing tennis in Anderson. She was a fixture at the matches and a great supporter of all of us. Take care, David Bratton

“ It was so good to see all of you tonight. I know this is a difficult time for you. One of the memories I have is our Moms on a blanket laying in the sun in the back yard while we all played. I can see them sitting there laughing. Although I can't be there for the services, please know that my thoughts and prayers are with you.
