“ I really didn't know Swann well but I knew of her. Actually she is my cousin. I do know her father Billy well, who also is my cousin. He works with my husband. But to the family I just want to say that You have my deepest sympathy and I am so sorry. There aren't any words that can really express how sorry I am. May God bless you all and know that he is able to carry you through. My family and I are praying for each and every one of you. Know that You are in our thoughts as well. God Bless, The Pratcher and Carter Family.

“ Sweetest Debbie, My heart breaks for you. You were always a loving person at 25'th Street School, and I have no doubt Swann grew up to be the same way. With much love and many prayers,

“ Dear Sawyer and Poole Family, We are very sorry to hear of the tragic loss of Swann. We want you to know that your family is in our prayers and thoughts at this terrible time in your life. We know we have the hope of the resurrection and this is what can help us, when we meditate on that. We also want to let you know that we will not be able to make it tomorrow to the funeral, but we express our sympathy.

“ When Swan came to Arizona she was full of piss and vinegar. She was feisty and wanted to show her independence. When she left this earth she was a softer more confident woman with love in her heart. I saw her two weeks ago and she hugged me and said "Ms. Chris, I haven't seen you in so long". She looked happy, well and glowed. My heart hurts for the loss of Swan and we will never know why but pray that she rests softly and in peace. May your hearts forgive and remember a wonderful lady full of grace.
