“ I remember when we moved back to indiana you bought me a necklace that had a teddy bear with balloons that had my birthstone, the chain broke but I still have the bear. I remember you doing crossword puzzles and talking about all kinds of silly things with you. You always called me a "smartass" too. I wish I could have seen you in your last moments, I'm just so happy you were able to see a picture of JoJo. I love you aunt Taffy, rest easy now, I'll miss you. Don't worry, I'll tell my children stories about you. ♡

“ I'll miss you aunt Taffy, I'll always remember the time you got me that hamster when I was little. Mom was not to thrilled about it but it didn't matter because baby sister got it for me. You were always a happy go lucky person to be around and could make anybody smile. You will always be missed but I know that you are finally at peace with everything and no longer in pain. Love you aunt Taffy.
