“ I met Tammi in the Anderson center.I was instantly attached! She was the inspiration for all of us to keep on pushing. Thank you Tammi!! She ALWAYS had a smile and a kind word for others when it was obvious that she did not feel well. I'm sure she loved all of her family but she did say more than once how thankful she was for her mother and stepfather.See ya soon, Tammi

“ I met Tammy during my senior year at I.C.A, and we quickly became best friends. Tammy accepted me when many of my "friends" turned their back on me. After losing my dad in 1976, I needed a good friend, and Tammy became that. Tammy and I attended many concerts together in Indy, including Aerosmith where we met the band. We were gutsy, or maybe stupid :o on many of our adventures, but there was NEVER a dull moment with Tammy. We took our ACT's together, went dancing together a lot, and partied hard. I have never laughed so much as I did when I was with her. Tammy helped me broaden my horizons, and see past the present. She was a true visionary when many people could not see past their "traditional" ideas. What I experienced with her made me a better person, Pastor's wife, and mother. The last time I was able to be with Tammy was in 1982, and I have always missed her, but she will be with me forever in my heart and memories.
