“ Rob, Joe, Cameron and Connor, Tammy was a very special person who touched the lives of many persons and animals. I will miss Tammy very much but will always remember the great person she was and the great work she did to save animals. She lived with a passion that I can only hope to have. Tammy will always be with us and remember she will always be looking over you. Tammy will forever be alive in my memories. God bless.

“ Tammy was a beautiful, smart, brave, warm, caring, compassionate, one-in-a-million woman. I feel blessed to have known her, and fortunate to have been a part of her life. She lived a purposeful life, and made an impact. She raised three incredible sons, built a happy family, and devoted her free time to helping homeless animals. I was fortunate to not only be her friend, but to work with her through Indiana-PAW, and I witnessed first hand the tremendous impact she made in our community. It is difficult to imagine that we will meet anyone like Tammy again. She was, above all, an exceptional human being. Amy Van Ostrand
