“ *We were so blessed to know Tammy both as a friend but more importantly as a sister in Christ. We did not know her until she and Al joined us at Christ Lutheran, but they both were more than kind and gracious to us in every way. Our recall of Tammy will always be how gentle she was in her relationships with others. You always knew she cared and you always knew she was there to provide love and support. We now live in Colorado, but looked forward to seeing her when we visited the church. Now we will anticipate the reunion that waits when we join her in Heaven with our Lord and Savior, Jesus Christ. Our thoughts and prayers are with all in her family and with the many, many friends from her time with us.*

“ *Aunt Tammy is kind, thoughtful, warm, and full of laughter. I say “is” and not “was” because I know that she holds tremendous faith, and I believe I will see her again. In my Father’s house are many rooms. I can imagine Aunt Tammy in a lovely room indeed. I will miss her voice, her smile, her hugs and the good wishes she always sent to me and to my family. Rob, Chris, Dad, family, I am thinking of you all and praying for you all.*

So enjoyed talking with Tammy at our book club. We were both Edgewood girls so we go way back. Thoughts are with her family.

Tammy, it does come with great sorrow, that I just now learn of your passing. Though many, many years away from Anderson, we kept in touch at Christmas time. This year, when I did not receive your much anticipated Christmas greeting, I knew something must be wrong! Tammy, in my late teen and early 20's years, you were my comforter when I felt all alone and somewhat displaced. My parents were having difficulties and many of my friends were off to college or relationships of their own, you were like the big sister I never had.

I now write this holding back my tears, knowing that I have lost yet another close friend. a true friend. As you well know, I will always cherish our conversations. I have no regrets, for I was able to express these words of appreciation many times to you.

You are truly an inspiration impressed upon me to pay it forward, to befriend people in need.

Rest peacefully, dear Tammy!

“ Tammy was one of the best people that I had the privilege of knowing. She was so kind and giving in the most genuine way. She always gave me her complete attention when talking to me and when she would ask me how I was doing, I knew it was because she genuinely wanted to know. There is a space in my heart that aches knowing that when I get to church I will not hear her voice or see her face. She touched my life in a way that I wish I could have expressed to her personally. She is a light that will be missed.
