“ *Ted and I worked together at Miller Huggins in the 90's. We worked on keeping track of the calculator inventory.*

In talking with him we discovered that he was a friend of my cousin, Carl Funkhouser, Jr who was killed in Nam on his second tour.

Ted was one of the nicest people to work with and he always had a cheerful word for me, which some days was really needed.

I am so sorry for his loss but am also glad that his pain and suffering are over.

My condolences
