“ I used to babysit Terry when he was in grade school. Have been friends with his mom for many years. Terry was a great kid and an awesome man! I've kept in contact with him for years, especially when we were trying to contact his mom after hurricane Ian! Will truly miss him!

I had met Terry some years ago, when he and Matt visited us in Myrtle Beach. We had a great time out on the bikes. Terry was super polite, very personable and had a huge appetite not only for food but life. You could tell he loved his family. Will remember him fondly.
