“ Owen, Pleas accept my heart felt sympathy on the loss of Teresa. We grew up together in Chesterfield and had a mutual friend, Deb Lewis. We spent a lot of time together from fourth grade on to high school. We lost touch after that, but we have also worked at Community for a long time and the times I saw her reminded me of how I always thought of her. She was a very good nurse and cared deeply for her small patients. In her quiet and sweet way, she made everyone feel good about being around her. She will be missed a great deal.

“ I had the pleasure of working with Teresa for many years, she Always had a smile on her face and I will always remember her laugh. She was a good soul and Loved her boys so much. I will never forget how excited she was for John and Lisa to have that new grandbaby so she could hold it and love it. I am so Glad, she got to do that. My deepest sympathy for Owen and John, Lisa, and Mark. You truly were given a wonderful gift in your wife/mother.
