“ *There are so many great memories from the time I was a child and into my Adult life that I can remember with Teresa. Teresa was a great step-mom to me and I am grateful that I had her as a mom. I had to apologize and thank her for tolerating me and loving me when I was a little bratty as a kid . Teresa was there for me during the birth of my 1st born child. I was always excited to visit and get to enjoy her home cooked meals. Myself and all of my children will treasure all of the memories we shared.*
