“ *RIP my BFF. I know you are pain free but my heart is not. You will forever be in my heart and memories. You were my 24/7 friend who I could tell anything to. I don't know what I am going to do without you. You encouraged me to open "Quilts For Older Children & Adults" and always stitched for the group. You were also a stitcher for our sister group Love Quilts Brazil. You touched so many lives. Nevaeh and I love you.*

“ *So sorry for your family's loss. She was a good person to work with in dispatch and had a passion for gardening. I'll never forget when she just showed up to house to help my wife plant flowers. May there be a vast garden full of flower awaiting her. RIP Terri!*
