She loved traveling and vacationing with her family and recently took trips to Myrtle Beach and Disney World. Teri had a love for all things ladybug, flamingo, and cats. Her cats, Jimmy and Holly, were her babies.

“ *Teri was a friend to everyone and always a caretaker. She was always so kind to me even when I worked with her at Rawlins House. She was always laughing and smiling her personality was very inviting. I became friends with her daughter Chelsea through working here as well. They always invited me over for cookouts and bday parties they loved having people over and just having a good time. They were both so much fun I thought that they truly loved each other Teri and David and that they enjoyed life together. Their grandkids and daughters were very important to them I think they still had dinners on Sundays to keep them close. My heart goes out to your family although you don't have her here physically I hope you know where she has gone. She will truly be missed and she lived a life that honored who she truly was a lover to everyone. Goodbye for now but never forgotten in loving memory-Dawn*
