“ My thoughts and prays goes out to the family whom some of you I met. During my employment with Disestronic it was a blessing to be able know Terri whom I got many laughs from. I hope in this time of your great lost the lord will hold the family together because you know in your hearts Terri would be mad if you all didn't do this. Terri was more than just a co-worker she was truly a person whom we both shared similar experience. God Bless You All!

“ I worked with Terri for three years at Roche, she was a very happy woman that loved her grandchildren. They were her life and she lit up when they entered a room. She also loved spending time with her kids and her husband as well as flying hot air balloons. I can remember being woke up early in the morning thinking something was on my roof, only to discover a balloon landing out front in the street. My kids thought it was the most wonderful thing. She will be greatly missed!! Many will have an angel looking over them from above.

“ Terri was my supervisor when I worked at Roche. She was kind, sweet, giving and welcome me with open arms. I can remember this one time-where my grandmother passed and she hugged me like I was her own child.... she had a mother's love and did not mind passing on her love. That is a memory I will never forget. As an ex-coworker, I can recall many days where she spent time to talk to her employees about the love of her children, grandkids and her husband! Terri loved her family. Just know family, Terri is with you at all times because she loved her family dearly. I will continue to keep you in my prayers and ask GOD to you strength during this difficult time. LaTosha Henderson

“ Terri was such an amazing woman. She had the biggest heart and was a really good friend. She went out of her way to help whomever needed it. Anyone that knew Terri shared many laughs with her... that was a given. The last text we shared was about her, her husband, and hot air balloons. Whenever I see one I always think of her and smile. Many prayers and thoughts are with everyone.
