“ Terry was a verk fair and kind person. We were of opposite political parties but he was always willing to engage in a positive dialogue. A and K was the best place to purchase fireworks and he always gave me a good discount. He worked hard for his family and loved God. It is good to note he never held grudges and forgave and those are very Christian goals. I will miss him and know God will take care of his soul. I am praying for his family and friends.
