“ Terry and I were born the same day at the same hospital in Anderson. Our mothers became friends and determined that we would share our birthdays over the years. I now live in New Hampshire and hadn't seen or heard from Terry since we both turned 16. I wish we had stayed in touch. I always remember Terry's sweet smile and he was always nice to a very skinny, blonde teen. I'm so glad to know his life was a full one. I will remember him fondly for all my days. *Milsa Marie Rash Durell*

“ We will miss you, Terry. As a high school classmate, I remember you as a great guy who always seemed to have a smile on your face. You were well-liked by everyone. And that is pretty amazing for a high school student growing up in the 60's surrounded by various "clicks" and personalities. You always seemed to be steady, consistent, and strong. I missed seeing you at our class reunions. However, I always hoped that we would cross paths somehow in the midst of our busy lives. But I will see you again at our great reunion in heaven. Sincerely, *Jim Noggle*

“ Please accept my deepest sympathy on Terry's passing. I am a cousin to Terry, Mike, & Philip. I still remember the Vaught reunions when we four would play in the park in Linton until we literally passed out! And Malcolm, I remember you and Dad laughing together..time has its way of dividing us up but not our memories. May God Be With Terry's Family. Sharon Vaught

“ Dear Mike and all the family of Terry, my deepest condolences. I moved away years ago and lost track of your family. I am so sorry and my prayers are with you as I am sure my sister Robin's will be also.
