“ I'm so sorry we couldn't get up there to be with you. Please know that our hearts ache for you and we wish we could be there to help you through this. We're all just a phone call away, don't forget that. I'm here anytime you want to talk, or just need someone to listen. I continue to pray that God keeps his comforting arms around you all and gives you the strength you need to make it through this. We love you!
