“ Mam-ma; I cannot tell you how many AWESOME memories you left with me... I never thought I would loose you, I never thought I would have to say good bye : I know now that I stand here alone, and wish I could take your hand and leave with you... I remember well our discussions about life, and death... ~and~ I know you were afraid to leave but I will be with you again mam-ma... I remember everything very clear and will take those memories with me as i finish my walk through life... I will tell everyone in my path what a AWESOME woman you are! and what a great mam-ma I had... I am really not sure how or where to go from here with out you, but, I hope some door opens for me to let me know... I feel very lost and alone right now! I love you mam-ma! Love your First Grandson Kevin
