“ Our prayers are with you, Jenny and David. Although I never had the privilege of meeting your Dad in person, I felt I knew him from your stories of growing up in a happy home and his beautiful mosaics displayed in your house. I also read one of his books, "I Remember My War 1942 – 1945" by Ted Vinson, PFC, which I thoroughly enjoyed, and afterward I appreciated a brief correspondence with him. I think it is amazing that an 18 year-old young man who leaves home, family and sweetheart to answer the call of duty and travel in Gen. Patton's army across France, Belgium, Luxembourg, and Germany, would keep such detailed accounts complete with numerous photographs and maps during the deadliest war in history. He was a talented man who will be greatly missed.
