

Theresa Gayle Higgins

April 20, 1970 - January 30, 2026

The world lost a beautiful soul on January 30, 2026. Theresa Gayle Higgins died after a brief illness. Theresa was born in Galveston, Texas, and spent her childhood in Texas, Indiana, Mississippi, and back to Texas. She returned to Indiana for good in 2002. Theresa had a varied work history, but her favorite was in child care. She loved all kids, but her grandchildren were the light of her life. She was the Best Grammy and Yaya a child could have. Theresa did love cats almost as much as her kids and grandkids! Theresa leaves behind her husband, Andrew Higgins; children, Samantha (Jacob) Rhoades, Julie (Tyler Lanfair) Guerra, and Jonathan Perez; stepdaughters, Allison (Corey) Wells and Chaneen Higgins; and grandchildren, Braxton Owens, Bailey Cramer, and Ian Stewart. Also surviving are her mother, Rose Evans, brother, Brad Evans, two nieces, as well as many aunts, uncles, and cousins. Preceding Theresa in death were her sister, Virginia Evans, granddaughter, Kinsley Gayle Ross, father Allan Evans, and her maternal and paternal grandparents. A private memorial will be held at a later date. www.LooseCare.com.

“ I met Theresa through work and her husband Andy. To say that I liked her immediately was an understatement. She always said what was on her mind and it was generally what I was thinking, especially about work. Though I only knew here for 4 years, I lost a good friend and will miss her dearly!! Rest easy my friend.
