“ *We are sorry for your loss of Tom. We will miss the friendly backyard chats and seeing Tom out working around in the yard. You have been such good neighbors. Our little Heidi kitty will miss not being able to run over to see Tom and have him pick her up. She always liked to do that when she saw him outside. Your family is in our thoughts and prayers. With our most sincere sympathy and love. Rick and Teresa Robinson*

“ Carol and family, I am so sad to hear about Tommy. He was such a great guy that I had the pleasure to know as a class mate and friend from Leach. What a runner! The picture still shows his great smile and warm kindness. I think I went to school with you at FHS...and spoke with you earlier this fall. I know the two of you built a happy life together and his love and legacy will live on with your family and with your friends.
