“ *Special friend and someone we called family, Tom spent many a Christmas Eve or birthday dinner with us in years past. He shared the same birth date as our Dad, which instantly made him extra important to our parents, Betty and Nile. Often, Tom was my special date when I would come home to visit, and we would all have great fun on those occasions. Although it had been several years since we had seen Tom, it seems like yesterday that we were all together. Remembering a special friend as family today, and sending thoughts and prayers to all who loved Tom.*
