“ *A flood of memories ran through my mind when I heard that Tom had passed away. We were always together when we were younger. You then grow-up and things change. Tom is the first of the cousins to pass away. I know he is enjoying the family reunion on the other side!!! God Speed Tom!!!*

“ *Tommy will be missed so much! I loved him dearly! He was my right hand mechanic! Tommy and I became very close over the past 3 years, spending all of our days together. I couldn't have asked for a better friend! Tommy had a heart of gold and would have done anything for his friends! It has been a hard week so far for me, I am so glad he is with his Mom, however I still wish he was here with me too! God bless Tommy and my thoughts and prayers go out to his family!*
