“ Ruth and I will always have fond memories of working with Tom at Spanish Cove. During my tenure as Chairman, Tom's knowlege and professional management help the Cove get through some of the most troubled times in its history. Although Tom did not live in the Cove, I always considered him a good neighbor as well as a good friend.

“ My sympathies are with your family. I remember in Miss Albertsons class and Tom sat behind me if she asked me a question and I didn't know the answer Tom would whisper it to me. You will be missed greatly.

“ To my friend Marsha and the Noller Family, My prayers are with you during this difficult time. I will never forget the time we used to talk at Maqnequench in the early days when the building was still empty and he was always afraid I hit that one pole that was holding the building up I would be on the riding sweeper. Our friendship began that day and blossomed over the years. We had so much fun at work if that is possible because we had a product that only people could sell. I truly missed his caring spirit. Please know that God will take care of you during your time of sorrow. GOD Bless and keep you all
