“ I met Tom when we both worked in purchasing for Magnetek in the late 80's early 90's. Tom was always more than willing to lend a hand to a young man still finding his way in a big world. He continued to be my friend after we both persued other paths. Always glad to see me, always smiling when we met; it has been my privledge to know Tom.

“ Tom was a dear friend who loved life and all of the people that he had ever met. His true love was working. He went out of his way to help others in a most honest, sincere manner. Tom had a great sense of humor, no matter what was happening. Tom and his dad loved hunting as I did. We had great times together in the cornfields north of Lafayette. Our sincere condolences to mom and the family. Jerry & Sally
