“ *Tommy, it was my pleasure to know and love you since I was a small child. Your infectious and mischevious smile would light up a room. I am going to miss you so much...you are at peace now leaving the rest of us envious and yearning to be there and share the wonderous joy of being nestled in God's loving arms. See you soon, Ada~Death leaves a heartache no one can heal, love leaves a memory no one can steal.*
