“ I went to high school with Tim, and we played Pool at my house. I remember his " Judge " GTO. We hadn't spoken for a number of years, but we were sad to read of his passing. Gary and Nadine

“ I worked with Tim for a number of years just before my retirement from GM in 2003. Seems like only yesterday I saw him at Guide, smiling and talking to a coworker. My condolences to you and your family upon his passing.
