“ *I loved bringing Tim snacks/sweets, watching him watch YouTube and his dad play video games for him. I always enjoyed our conversations together, Tim was definitely funny and had a lot to say! He was always so honest, which is rare in most people. My daughter Sienna truly loved hanging out and talking to Tim as well. He will truly be missed! He was a one of a kind, amazing young man.*

“ *I think what I will remember the most about Tim is his smile and the way his one eyebrow would crinkle up when he thought you were being silly. Before Timothy had his stroke he had several challenges in his life; Asperger's Syndrome, OCD and ADHD. But that never seemed to get him down. He had a funny sense of humor as well. I'm glad he was born and thankful for the time we had him. He was blessed to have kind, patient and loving parents. I will always hold him my heart and look forward to seeing him again in our heavenly home.*
