“ Tim wasn't my family, though he and summer always treated me like I was for nearly a decade of my life. Tim was a great guy like that, didnt care who u were just if u treated him right, he did the same. I'll always remember the special love he and summer shared, and his fun, caring personality.
my deepest sympathy to all of the reed family.

“ Tim was a great guy. We had many conversations at work , he would always help me close the bailer because he knew I was too short to reach it, and he would laugh at me every time I tried to do it by myself . We were born on the same day as well, August 4th. His smile was genuine and he was quiet when I first met him almost 3 years ago , but once we started talking he made me smile . I am going to miss him. Work wont be the same without him.
