“ Uncle Timmy I just want to say I love you! I can remember Grandma Dolly being pregos with you and when you were born! I have a lot of fond memories of you growing up! The one that stands out the most is when the police called me at RP's he had just moved to Texas, you were around 13 years old they took you and a friend along with your bicycles for swimming out at Mounds Park in a no swimming area! They just wanted to put some fear into you guys! You did not want Grandma to know you got in trouble! First thing I did in my Grandma Dolly voice!! "Timothy Steves" What the hell were you thinking you dumb ass! Those cops had a hard time believing I was your niece because I was so much older asked me twice are you sure your his niece I said that's my Uncle Timmy! There are so many many more memories, snickering as I am thinking about them! Wish we had not drifted apart. I know life was not easy for you esp the last several years! I prayed for you to overcome the demons that took you from us like so many others before you! God had other plans and I know you are at peace now and with the other family members we all love and miss so much! Love you always....hugs & kisses to all! Love Nannette Porter

“ Uncle Timmy,

I will sure miss that beautiful smile and infectious laugh you have. There are so many memories...from the ones you, Dave, and I made when we were young to the ones we made while you lived with me and Troy. We sure didn't get to see each other enough in the past few years, but you will always have a special place in my heart. You were more like a brother than an uncle. Love and miss you so much!!! We will all watch over your kids and help them as much as we can.

*Love you,
B, Troy, and Kayleigh*

That is funny Dave...he sure did love those sweets. That, Macaroni & Steves, and Cheese. Something he and I shared when we were kids. LOL!
