“ Dear Toni, To say that we are shocked at your passing is a major understatement. We knew you had been ill but thought you might have been in a nursing home. But today, Oct. 16, 2025 at our class monthly lunch, we found that you had passed in December! A few of us had been by your home in Gilman, but neighbors didn't seem to be aware. You are loved and most certainly missed. Until we can meet again, keep watch over us. Love, Nancy and your Class of 1966!

Oh tonight, several of us tried to find you. Stopped out to house and to neighbors to see if they knew anything about you. You were not forgotten and you are missed. Until later my friend
