“ Some of my favorite childhood memories are of playing with Tony and Elaine growing up. I am sorry all contact was lost after we grew up. Carolyn and Wally's house was a safe refuge during a very turbulent childhood, and I will always be grateful. I am very sorry for their great loss, Diana L. Carter

“ Sorry to hear about Tony. I haven't seen him in 4-5 years. I have alot of good memories of Tony growing up. I always appreciated Tony's parents for taking my grandparents to the away basketball games at Markleville.
