“ Such a vibrant smiling soul that I will never forget... Tracy was ALWAYS there to help anyone and everyone whenever needed and just appeared when you were too shy to ask for help. This loss is a tough one but without a doubt I know she is looking down. RIH Tracy, you definitely made your mark on this world.

“ Tracy was one of my dearest and closes friends. She was one of the most realist people I know, she would have done anything she could for me when I needed someone the most she was there with her Huge heart and fisty ass attitude. But my favorite memory of her will always be when we set together and said nothing at all, If you notice in our pictures our smiles and expressions are always the same And that kind of friendship is irreplaceable. I will miss you every day my friend until we meet again. Rest easy, I luv u! Xoxo
