“ Travis was in and out of my life since before elementary school and many of his family (Kesha Cooper etc) we always stay on good terms no matter what he was never the type to disown u in public regardless rich or poor.. cool or nerd etc .my earliest memories of him was a Easter egg hunt on Columbus avenue park Kesha and amanda Cooper were there also .it was one of my best memories of us all for the fact we were in our incconent youth.we had each other in our youths in the neighborhood and some times that was the world on a emotionally mental rainy day.the sunshined bright that day for me because my above mentioned friends (josh McIntyre was present also) we had each other the park (which seemed as big as the world) and somefree easter candy. Miss all my friends may u all rest in peace
